**DETERMINATION MADE IN RELATION TO THE PORTADOWN DISTRICT LOL NO 1 PARADE  
NOTIFIED TO TAKE PLACE IN PORTADOWN ON SUNDAY 14 OCTOBER 2018**

---

**INTRODUCTION**

---

1. Section 8 (1) of the Public Processions (Northern Ireland) Act 1998, provides that:

"The Commission may issue a determination in respect of a proposed public procession imposing on the persons organising or taking part in it or on any persons supporting it such conditions as the Commission considers necessary."
2. The Commission has noted the details provided on the Form 11/1 submitted on 13 August 2018 concerning the Portadown District LOL No 1 parade in Portadown on Sunday 14 October 2018. The Commission has considered whether a determination under section 8 should be made in respect of this parade.
3. In considering whether to exercise its power under Section 8, the Commission has taken into account its previous determinations in relation to this parade. It has also considered all other aspects of the parade notified by the organisers, including its nature and purpose, and has considered all other information received in relation to it. The Commission has concluded that, in the particular circumstances, it should exercise its power under Section 8 to make a determination in the terms outlined in the following paragraphs.

**BACKGROUND**

---

4. The notified purpose is '*To complete return of annual parade to Drumcree Parish Church*'.
5. The notified route is '*Drumcree Road; Garvaghy Road; Parkmount; Victoria Terrace; Castle Street; Bridge Street; High Street; Market Street; Church Street; Carleton Street*'.
6. The number of participants notified is '*not known*', with two accompanying bands. The number of supporters notified is also '*not known*'.
7. The parade is notified to commence at 1.00pm from Drumcree Road and process to Carleton Street dispersing at 2.30pm.

15. As required by the statutory Guidelines, the Commission has had regard to the seven North principles. One of the seven fundamental principles identified by the North Report is that all those involved should work towards the resolution of difficulties through local accommodation.
16. As stated in paragraph 4.5 of the Guidelines, the Commission takes into account any communications between parade organisers and the local community or the absence thereof and will assess the measures, if any, offered or taken by parade organisers to address genuinely held relevant concerns of members of the local community.
17. Having considered all the evidence, information and advice available to it, the Commission has determined that conditions should be placed on the parade. In imposing these conditions, the Commission pursues the legitimate aims laid down in the European Convention for the Protection of Human Rights and Fundamental Freedoms of seeking to prevent disorder and to protect the rights and freedoms of others. The conditions are not such as to affect significantly the individual's right to assemble.
18. Having regard to the factors set out above the Commission considers that the conditions it now imposes are necessary and proportionate to the aim pursued and strike a fair balance between the needs of the community and the rights of the individual. The legal, factual and human rights issues are of considerable complexity and require, ultimately, the formation of a carefully considered and finely balanced judgement on the part of the Commission.
