DETERMINATION MADE IN RELATION TO THE SONS OF BELFAST LOL 743 PARADE NOTIFIED TO TAKE PLACE IN BELFAST ON TUESDAY 12 JULY 2022

INTRODUCTION

1. Section 8(1) of the Public Processions (Northern Ireland) Act 1998, provides that:

   "The Commission may issue a determination in respect of a proposed public procession imposing on the persons organising or taking part in it such conditions as the Commission considers necessary."

2. The Commission has noted the details provided on the Form 11/1 submitted on 7th June 2022 concerning the Sons of Belfast LOL 743 parade, in Belfast, on Tuesday 12th July 2022. The Commission has considered whether or not a determination under Section 8 should be made in respect of this parade.

3. In considering whether or not to exercise its power under Section 8, the Commission has taken into account its previous determinations in relation to this parade. It has also considered all other aspects of the parade notified by the organisers, including its nature and purpose, and has considered all other information received in relation to it. The Commission has concluded that, in the particular circumstances, it should exercise its power under Section 8 to make a determination in the terms outlined in the following paragraphs.

BACKGROUND

4. The notified purpose is "12th of July Feeder Parade".

5. The notified outward route is "Arosa Parade, Fife Street, York Road, York Street, Donegall Street, Clifton Street, Crumlin Road, Agnes Street". The notified return route is "York Street, York Road, Fife Street, Arosa Parade".

6. The notified number of participants is 40, including 1 band. There are no supporters notified.

7. The outward parade is notified to commence at 08:30 from Arosa Parade and to join the main parade at Agnes Street, at 09:15. The return parade is notified to commence from York Street at 18:30, dispersing from Arosa Parade 19:00.
8. This is a feeder parade which joins up with the main County Grand Orange Lodge of Belfast parade.

9. The annual celebration of the Battle of the Boyne is of high significance to a wide section of society.

10. A sensitive stretch of the notified route is at Clifton Street/Donegall Street. The sensitivities at this location have been fully documented in previous Commission determinations. For the purposes of this determination, the Commission has not restated all relevant information or repeated its considerations. However, it refers interested parties to the relevant determinations which are accessible on its website.

11. The Commission has had regard to its statutory Guidelines in its considerations of the parade’s potential for public disorder and the potential impacts upon community relations and community life. The Commission has fully considered all relevant human rights aspects.

12. The Commission has determined that a single drumbeat is the appropriate condition for this parade over the stretch of route from the Union Street junction with Donegall Street to the Westlink junction with Clifton Street.

10. The conditions imposed by the Commission are proportionate, necessary and fair in respect of this parade.

**LEGAL CONSIDERATIONS**

12. The Commission is obliged by statute to have regard to the Guidelines issued under Section 5 of the Public Processions (Northern Ireland) Act 1998 and has done so. The Commission has also been alert to its duties as a public authority under Section 6 of the Human Rights Act 1998. The Commission believes that, from the perspective of the parade organisers, the Convention rights engaged are those protected by Articles 9, and 10 and, in particular, Article 11. None of those rights is absolute.

13. Further, the human rights of other persons, to whom the Commission also owes a legal duty, must be equally considered. Those who live, work, shop, trade and carry on business in the affected locality enjoy rights under Article 8 of the Convention and Article 1 of the First Protocol thereto. In common with Articles 9, 10 and 11, none of these rights is absolute. The Commission has also been mindful to take into account its positive obligations under Article 2 of the Convention. Similarly it has been mindful of the provisions of Article 17 of the Convention.
14. It is not possible for all of those who would claim the benefit of the Human Rights Act 1998 to exercise and enjoy their Convention rights to the fullest extent, where rights are in competition with each other. The Commission, therefore, has had to undertake a balancing exercise, bearing in mind the statutory Guidelines, in an attempt to reach a determination, which is fair and proportionate in all the circumstances. In addition to having regard to the Guidelines the Commission has had regard to the criteria specified in Section 8(6) of the Public Processions (Northern Ireland) Act 1998.

15. The Commission has also had regard to the issue of engagement. One of the seven fundamental principles identified by the North Report is that all those involved should work towards resolution of difficulties through local accommodation. As required by the statutory Guidelines, the Commission has had regard to the seven North principles.

16. As indicated at page 15 of its second Annual Report, the Commission (while avoiding an excessively prescriptive approach) considers the essence of engagement to be attempts at genuine communication between protagonists to a particular parading dispute. A series of ‘pointers’ to what constitutes genuine engagement is listed on page 16 of that report.

17. As stated in paragraph 4.4 of the Guidelines, the Commission takes into account any communications between parade organisers and the local community or the absence thereof. Further, the Commission will assess the measures, if any, offered or taken by parade organisers to address genuinely held relevant concerns of members of the local community.

18. In making its determination, the Commission has accepted that there is a right of lawful and peaceful protest vested in those who legitimately object to the notified parade. However, there is neither right nor justification for unlawful or violent protest. The Commission further considers that, in all the circumstances, there is an obligation on representatives and local community and political leaders to use their good offices and/or take reasonable steps as appropriate to prevent violent and/or unlawful protest. This will be to the positive advantage of the local population, as it will reduce the risk of any possible impairment of their rights and freedoms stemming from such protests.

19. The Commission has had regard to the nature of this parade, the purpose of which is described earlier in the determination.

20. Having considered all the evidence and information available to it, the Commission finds that it necessary to place conditions on the parade. This decision is set against the background of continuing local community tension. Whilst recognising the fundamental importance of the right
to freedom of assembly, the Commission finds it necessary to exercise its powers under section 8 of the Public Processions (Northern Ireland) Act 1998 to place restrictions on the parade.

21. In pursuing these conditions, the Commission pursues the legitimate aims laid down in Article 10(2) and 11(2) of the European Convention for the Protection of Human Rights and Fundamental Freedoms, of seeking to prevent disorder and to protect the rights and freedoms of others.

22. In determining whether the conditions are necessary in a democratic society and proportionate, the Commission has regard inter alia to the criteria set down in section 8(6) of the Public Processions (Northern Ireland) Act 1998 and to its own Guidelines made under section 5 of the Act and to which under section 8 (5) it shall have regard when making a determination.
The Parades Commission’s determination is that the following conditions are placed on the organisers and participants in the Sons of Belfast LOL 743 parade in Belfast on Tuesday 12 July 2022.

A. Only a single drumbeat, on a single side drum, shall be played on that part of the notified route between the junction of Union Street and Donegall Street and the junction of the Westlink and Clifton Street (the junction closest to Stanhope Street which is the first junction when travelling out of the city centre towards Carlisle Circus).

B. No supporters shall accompany the parade between the junction of Union Street and Donegall Street and the junction of the Westlink and Clifton Street (the second junction when travelling out of the city centre towards Carlisle Circus).

C. The parade organiser shall ensure that the parade shall begin and disperse promptly.

D. Only the band notified on the Form 11/1 shall participate in the parade.

E. The parade organisers shall ensure that all participants including any marshals, band leaders and band members are given written details of the restrictions.

F. The organisers and all participants in the parade shall comply with the conditions set out in the Commission’s Code of Conduct. For ease of reference, these are reproduced below.

G. As shown at Appendix B of the Code of Conduct, the Commission re-affirms that all participants in this parade must behave with due regard for the rights, traditions and feelings of others in the vicinity; refrain from using words or behaviour which could reasonably be perceived as intentionally sectarian, provocative, threatening, abusive, insulting or lewd; obey the lawful directions of parade organisers and stewards at all times, from assembly to dispersal and comply with police directions and in accordance with legislation.

H. The Commission further re-affirms the importance of respectful behaviour in the vicinity of interface areas, namely that there shall be no singing, chanting, or loud drumming and that marching should be dignified. More generally, no paramilitary-
style clothing is to be worn at any time during the parade and flags, bannerettes and symbols relating to a proscribed organisation shall in no circumstances be displayed.

I. The parade organisers shall arrange for the presence of an adequate number of stewards to ensure that all parade participants act in an orderly manner.

J. The parade organisers shall ensure that all stewards and participants obey any direction given by the police in relation to this parade.

K. The parade organisers shall ensure that these conditions are drawn to the attention of all participants.
