INTRODUCTION

1. Section 8 (1) of the Public Processions (Northern Ireland) Act 1998 provides that:

   "The Commission may issue a determination in respect of a proposed public procession imposing on the persons organising or taking part in it or on any persons supporting it such conditions as the Commission considers necessary."

2. The Commission has noted the details provided on the Form 11/1 submitted on 27 June 2022 concerning the parade by Killen District LOL No 12 notified to take place in Castlederg on Tuesday 12 July 2022. The Commission has considered whether or not to issue a determination as outlined above, against the factors described in its Guidelines document.

3. In considering whether or not to exercise its power under Section 8, the Commission has taken into account its previous determinations in relation to this parade. It has also considered all other aspects of the parade notified by the organisers, including its nature and purpose, and has considered all other information received in relation to it. The Commission has concluded that, in the particular circumstances, it should exercise its power under Section 8 to make a determination in the terms outlined in the following paragraphs.

The return route is notified to commence from the Main Car Park Castlederg at 5.00pm and to disperse at 6.30pm from the Main Car Park Castlederg/Kilclean Road/Killeter Road.

8. The sensitive areas of the notified route is along Ferguson Crescent and Priest Lane.

9. The Commission recognises that some constructive work has taken place on the resolution of the parading issues in Castlederg.

10. The Commission has had regard to its statutory Guidelines in its considerations of the parade's potential for public disorder and the potential impacts upon community relations and community life. The Commission has considered all relevant human rights issues. The Commission has determined that conditions regarding compliance with its statutory Code of Conduct are necessary, proportionate and fair in respect of this parade. The full Determination is set out below.
11. The Commission has had regard to the Guidelines issued under Section 5 of the Public Processions (Northern Ireland) Act 1998 ("the Guidelines"). The Commission has also been alert to its duties as a public authority under Section 6 of the Human Rights Act 1998. From the perspective of the parade organisers, the Convention rights engaged are those protected by Articles 9 and 10 and, in particular, Article 11. None of these rights is absolute.

12. Those who live, work, shop, trade and carry on business in the affected locality enjoy rights under Article 8 of the Convention and Article 1 of the First Protocol. Again, none of these rights is absolute. The Commission has also been mindful of the provisions of Article 17 and its obligations under Article 2 of the Convention.

13. It is not possible for all of those who would claim the benefit of the Human Rights Act 1998 to exercise and enjoy their Convention rights to the fullest extent where rights are in competition with each other. The Commission has therefore undertaken a balancing exercise, consistent with its statutory Guidelines, to make a determination that is fair and proportionate in all the circumstances.

14. As required by the statutory Guidelines, the Commission has had regard to the seven North principles. One of the seven fundamental principles identified by the North Report is that all those involved should work towards the resolution of difficulties through local accommodation.

15. As stated in paragraph 4.5 of the Guidelines, the Commission takes into account any communications between parade organisers and the local community or the absence thereof and will assess the measures, if any, offered or taken by parade organisers to address genuinely held relevant concerns of members of the local community.

16. Having considered all the evidence, information and advice available to it, the Commission has determined that conditions should be placed on the parade. In imposing these conditions, the Commission pursues the legitimate aims laid down in the European Convention for the Protection of Human Rights and Fundamental Freedoms of seeking to prevent disorder and to protect the rights and freedoms of others. The conditions are not such as to affect significantly the individual's right to assemble.

17. Having regard to the factors set out above the Commission considers that the conditions it now imposes are necessary and proportionate to the aim pursued and strike a fair balance between the
needs of the community and the rights of the individual. The legal, factual and human rights issues are of considerable complexity and require, ultimately, the formation of a carefully considered and finely balanced judgement on the part of the Commission.
